If you'd like to get in touch with members of the FRAG team, here's how you can do it:

Forums

Feel free to join in the discussions on our forums: <http://www.frag.co.za/forums>

IRC

If you do IRC, we run an IRC channel on the ShadowFire IRC network (server: irc.shadowfire.org), called (rather unimaginatively) #frag. You will need an IRC client, such as X-Chat or mIRC to connect, and you should read your clients documentation if you need any help to do this. Alternatively, you can click on the [Live Chat](#) link at the top of the page.

E-mail

You can email bookings@frag.co.za for any queries or booking queries.
